THE BIVOUAC OF THE DEAD

The muffled drum's sad roll has beat
The soldier's last tattoo;
No more on life's parade shall meet
That brave and fallen few,
On fame's eternal camping ground
Their silent tents are spread,
And glory guards, with solemn round
The bivouac of the dead.

AMAZING GRACE

Amazing grace, how sweet the sound
That saved a wretch like me
I once was lost
Was blind but now I see.

'Twas grace that taught my heart to fear,
And grace my fears relieved,
How precious did that grace appear
The hour I once believed.

BATTLE HYMN OF THE REPUBLIC

Mine eyes have seen the glory of the coming of the Lord
He is trampling out the vintage where the grapes of wrath are stored
He hath loosed the fateful lightning of His terrible swift sword
His truth is marching on.

Glory, glory hallelujah
Glory, glory hallelujah
Glory, glory hallelujah
His truth is marching on.

In the Beauty of the lilies
Christ was born across the sea;
With a glory in His Bosom
That transfigured you and me;
As He died to make men holy,
Let us die to make men free.
While God is marching on.

Glory, glory hallelujah
Glory, glory hallelujah
Glory, glory hallelujah
His truth is marching on.

RE: Department Commander Annual Report for the year 2007 – 2008

Brothers,

Once again, I have been honored and privileged to have been elected as be your Department Commander. During the past year I have made an all out effort to attend as many events as possible within the six New England states to represent the Department of Massachusetts. I even had an opportunity to represent the Department in Washington, DC and in Indiana.

During my tenure as Department Commander I have had several events that have stated what we are all about. The first event was the re-burial of the six Massachusetts Civil War Soldiers that were found in Virginia. I want to thank two brothers in particular, the first one is PDC William Ryerson and the second brother is PDS Franklin Haley. If it wasn't for their tireless efforts for several years to secure the Civil War Veterans return to Massachusetts, we would not have had a ceremony like the one we had at Bourne National Cemetery. Please stand.

The second event was the forming of General Landers Camp 5, Lynn, MA. I wish to thank the two brothers that were instrumental in getting the Camp formed and off the ground. They are DSV Kevin Tucker and PDC John Bates. I do believe that if it was not for their efforts the Camp would not exist today. Please stand.

I would be remised if I did not thank the Officers that I have had for the past two years. If it wasn't for these brothers, I could not have done the job that the Brothers of the Department elected me to do. They jumped right in to cover the events that I was unable to attend and in many cases they were at these events as well.

Department Commander

I know that it takes more than just a couple of Brothers to get a task completed. To that end I want to thank all the Brothers of the Department for their tireless efforts to keep the Department of Massachusetts running smoothly.

I have attached three pages with the itinerary of events and places that I have been in the last year. I will not bore you with reading them to you today. They will be with the Department Secretary if anyone wishes to read them. The last item I have is that I have submitted three news type reports to the Commander in Chief, his staff and the rest of the Departments to let them know what we are doing in the Department of Massachusetts.

Thank You for a wonderful experience as your Department Commander.

RE: DEPARTMENT SENIOR VICE COMMANDER REPORT OF ACTIVITIES FOR 2007-2008

Brother Commander:

Once again, I have been privileged to have the opportunity to serve the organization in a variety of positions, at all levels of the organization. Aside from having been honored by my Brothers by being elected to serve as Senior Vice Commander for the Department for the second time, I have been humbled by the recipient of an appointment as National Civil War Memorials Officer by Commander-in-Chief Kuhn.

In addition to serving as a National and Department officer, I have served for the past three years as Chairman on the National Encampment Host Committee for the 2008 National Encampment of the Allied Orders of the G.A.R., which will be held in Peabody, in a few short months. I thank you for appointing me as Chairman of the Committee, and allowing me the opportunity, along with those whom I believe are the best SUVCW, ASUVCW and LGAR officers this Department has to offer, to serve the organization in a very meaningful way, and to become part of the history of the Allied Orders.

My activities as Senior vice Commander began shortly after last year's Department Encampment in Boxborough, when I immediately began organizing group travel for Department Delegates and the Department Officers attending the 2007 National Encampment in St. Louis. This entailed coordinating two groups, using two airports, in order to get the lowest price for the Department.

On Memorial Day, 2007, I had the privilege of accompanying my father, PDC Frank Tucker, for his first visit to Fenway Park. Brother Tucker, along with Veterans from Korea, Viet Nam, the Gulf War and the Iraqi War, were there representing all Veterans, who were being honored by the Red Sox organization. Brother Tucker was honored by being asked to throw out the ceremonial first pitch. (Brother Tucker threw what he refers to as a "hand grenade sinker". - J. D. Drew swung and missed!)

On June 2nd and 3rd, I manned a recruiting table at the "Two Arms" fundraising reenactment organized by Brother Paul Jancewicz, in Amesbury. Despite a horrendous storm overnight between the two days, this was a very successful public event. For the second consecutive year, the event raised a good deal of money for the restoration of the 11th Mass. Infantry Monument in Gettysburg, which had been vandalized the year before. Brother Jancewicz deserved congratulations for his unceasing efforts to help restore the monument.

In July, I attended the annual meeting of the New England Regional Association at Weirs Beach, where the Commander's gavel was passed from my brother (small b) Charles Tucker, to the newly elected Commander of the association, the Department of Massachusetts' very own Commander, Perley Mellor.

58 Forest Street Wakefield, MA 01880 Tel.: (617) 678-6003 Email: civilwarmemorials@verizon.net

At that meeting Dan Murray and I introduced a motion to change the Association by-laws, in order to combine the men's and women's groups into one with shared meetings and officers. The final disposition of that motion will be voted on this coming July.

In August I was part of the delegation from the Department attending the National Encampment in St. Louis, where I cast my votes on behalf of the Department. Charlie Kuhn was elected Commander-in-Chief, as expected, and honored me by appointing me National ~~Graves Registration~~ CIVIL WAR MEMORIALS Officer. Despite a forgotten bag or two, lost car keys, (and fellow passengers) all arrived and returned intact, thanks to a few "shepherds" who kept everyone and everything together.

As soon as the National Encampment was over, I began organizing the Department's annual trip to Gettysburg for Remembrance Day. I reserved a 55 passenger bus, and reserved a tour of Winchester, Virginia for our side trip. Unfortunately, as it turned out, we ended up with only 25 passengers, which made the bus too expensive, even with the Department's subsidy, so we opted for three 15 passenger vans for the trip, instead. Thanks to Brothers Murray and Bates, who volunteered to drive, we had a safe, comfortable and affordable time in Gettysburg.

While there, I attended the first ever Special Meeting of the National Encampment, which was called to vote on some necessary changes to the C&R, following passage of earlier changes in St. Louis. Again, I was honored to be part of an historic event with this organization.

Upon our immediate return, we were all saddened and shocked to hear that both PDC Eddie Parks and his wife Chris had both passed away within a week of each other. I was among those who attended Brother Parks' wake in Middleborough, and expressed the sympathy of the Department to his children. Brother Parks was a great man and a hero, and I will miss his friendship and invaluable counsel.

Before the year ended, I began organizing our annual Lincoln Brunch, which was once again held at Concord's Colonial Inn on February 10th. We had a great turn out, with over 40 guests, including the National President of the ASUVCW. Our featured speaker, Dr. Russell McClintock was an interesting and informative. Dr. McClintock was kind enough to autograph copies of his book, following his presentation. This was a great event, and I look forward to continuing the tradition, next year.

In March, I attended the rededication of the G.A.R. Meeting room and an amazing sculpture representing America mourning it's dead Civil War soldiers, at the Manchester Public Library in Manchester-by-the-Sea. This was the first public even for our newest Camp, General Lander Camp No. 5, in Lynn. The ceremony was well attended and well done, and it is hoped that we will receive some new members from among those in attendance.

On Saturday, April 5th, I attended the Department of Rhode Island Annual Encampment at the Varnum Armory in Greenwich, RI. This was a well attended Department Encampment for our Rhode Island, and demonstrated how far that Department has come in recent years.

In summation, it has been an active year, and I have served this Department by organizing and attending many challenging and remarkable events. I have done my best to represent this Department with dignity and earnestness. I look forward to serving the organization in which ever way suits this Department, in the coming year.

Report by the Patriotic Instructor for the year 2008:

This past year has been extremely busy and time consuming. I have had the honor of being Appointed Chairman of the National Post Records Program, which was created for the purpose of re-designing the present National Web-site. The original web-site, created in 1998 offered the then known Grand Army of the Republic post locations. I happened to fall upon new resources and with the help of many brothers around the Country I was able to improve the program. Our committee decided to make some changes by adding additional department information etc. All this took up most of my spare time and is still going on today.

After talking to many of our brothers it appears that the time has come to get some high level Publicity out to the State to enhance our recruiting program. Hopefully, we will be able to allocate some Funds for this purpose.

It is my hope that my successor will be able to perform the traditional procedures of this very Important Office.

Report by the Highway Officer:

For the past half dozen years or so I have had the pleasure of travelling from Provincetown to Rhode Island. This is our area of responsibility. We have had pretty good luck with the Massachusetts High officials that have always been willing to meet our demands for replacing signs etc. With in our jurisdiction we also have a Grand Army of the Republic Bridge to keep an eye on and so far the town of Kingston has been co-operative as well as the State.

There has been an all-out attempt by our National Organization to place emphasis on all the departments across the Country to continue this watch dog program.

The next time you take a trip to P-Town keep an eye out for the signs and report back to the Highway officer if any are damaged or missing.

Thank you all,

A. Dean Sargent.

HISTORIAN

Every time we meet we make history: It does not have to be an earth shattering event, or a boat-ride or bus-ride, just the fact that we did something. Is has been the tradition of late to make our presence known at the Lincoln parade at Gettysburg, yes we had a good turn out. There were many other Camp events to honor the history of our heroic ancestors as this is what we are all about. Our presence at the National Encampment gave proof to our loyalty and our contribution was well received.

The Grand Army Room at the State House has been saved again this year from being taken away from us by allowing the State Archivist to use a small section of the room. She has been an important addition as she keeps an eye on all the holdings. She has instituted regulations that have kept unwanted persons and organizations from entering. Anyone can visit or do research by making an appointment. This has taken a huge burden off the shoulders our department historian.

Report of Graves Registration Officer for Dept. of Massachusetts
2008

In my time in this position I have been working to build an online database documenting which cemeteries which have been documented throughout the state. It is hoped that by using this online resource that camps and camp GRO's might better utilize their resources in furthering this national project. Also this year the Dept. has purchased grave markers that will be distributed to the camps and installed in cemeteries that will allow, preserve and honor them.

In addition, you, Brother Commander, and National President Judith Trepanier serve as ex-officio members of the Committee.

The National Encampment Host Committee has had an eventful year, and is making great progress in planning and coordinating the 2008 National Encampment, as we enter the final few months leading up to the event, which will take place August 7th through 10th, 2008.

Following the 2007 Department Encampment, the Auxiliary Department President vacated all appointed offices, and Sister Seiffert and PDP Fournier were removed as representatives of the Department of Mass. Auxiliary. They have, however, continued to serve as members of the committee on their own.

Newly elected Auxiliary Department President Sullivan was invited to appoint a representative to the committee, as had been appointed the previous year, by her predecessor. However, President Sullivan was mistakenly advised by someone in her organization that she could appoint five representatives to the committee. We notified her that she had been misinformed, and that she could appoint one representative and invited her to join the committee herself, if she so chose. President Sullivan, however, remained convinced that she and the Auxiliary were being mistreated, and she insisted that she would appoint five representatives. When we declined to accept that many, she withdrew all representation.

After several unsuccessful appeals to her for reconsideration, we contacted Auxiliary National President Judith Trepanier, and informed her of the situation. President Trepanier understood our position, and asked to be kept appraised of our progress in the absence of a representative on the committee. We have kept her apprised of our work, and have asked her advice and consent on matters pertaining to the Auxiliary meetings and events.

At the 2007 Allied Orders National Encampment in St. Louis, an information table for the 2008 National Encampment was set up and manned to inform and entice those attending to come to Massachusetts this year. Hotel information, dates event highlights were given.

While at St. Louis, you and I met with the National Encampment Site Committee, to report on our progress, and were given excellent feedback and congratulations on our progress up to that point. We showed the committee our proposed Encampment medal and "bean pot" banquet favors. The Site Committee gave us a set of updated National Encampment guidelines, which we incorporated into our efforts.

In September 2007, we finalized the meeting room schedule with the hotel, overcoming several conflicts and concerns from both the LGAR and the Auxiliary. We were in contact with the National Encampment Site Committee, who answered our questions and gave us guidance as we solidified the Encampment events.

A contract was signed and a deposit given for the trolley style tour busses which we will use for the Encampment tour on August 7th.

At the beginning of November, we requested the expected funds from each organization, so that we could begin making purchases. As we were fast approaching a deadline for ordering our custom engraved "bean pot" favors, we asked and received a short term loan from the Department. We ordered and received the bean pots, well as the Encampment medals.

At the start of the new year, our Encampment shirt design was approved and ordered, with a fifty percent deposit. The shirts are now ready, but we have had to await funding in order to pick them up.

Fifteen passenger vans were reserved for the Encampment, which will be used as shuttles for Delegates taking advantage of the Logan Express buses from the airport to Peabody. Two Brothers have volunteered as drivers for the Encampment.

We contacted the State House to confirm our reservation for the scheduled guided tour by Members on August 7th. We still have some details to work out as to a wreath laying ceremony at the Hall of Flags, which we expect to finalize soon.

Toward the end of January, Banner publisher Steve Michaels, PCinC, contact us and asked that we send him ads and order forms for publication in the Spring edition of the Banner. He also asked for a story related to the Massachusetts Grand Army of the Republic, which we contacted Department Historian Dean Sargent to provide. Brother Michaels gave us great advice and worked with the committee to produce high quality ads for the event. The publication is currently being mailed to Members across the country.

At the same time, we sent ads and order forms to Brother Ken Freshly, PDC, the National Webmaster, for publication on the National website. Members have been able to access this information and the order forms on the web site since early February, and Brother Freshly has been very accommodating in publishing the tweaks and changes that we've requested.

It was at this time, I contacted the City of Cambridge for permission to park our tour buses outside Mount Auburn Cemetery. The City gave their permission, and we should have no problems with the event on August 7th.

In Mid-March, Brother Bates finalized the artwork which will be turned into a commemorative medal featuring General Charles Devens. The medal will be sold at the Encampment, with the proceeds going toward the cost of running the Encampment. The medal has not been produced yet, but pre-orders are being taken now, in advance of the Encampment.

With the publication of ads, both in the Banner and on the National web site, we have begun receiving reservations and money from Members. As we get closer, the frequency of those receipts are expected to increase, and we look forward to a well attended Encampment.

Recently, floral arrangements have been fabricated and approved for both the meeting rooms and the National Presidents and Commander's suites. Jelly beans to fill the "bean pot" favors have been purchased and are being repackaged for the banquet.

The design for Encampment ribbons are finished, and awaiting approval by members at our next meeting. Door prizes and raffle prizes continue to be assembled, and goodie-bag fillers are being solicited.

There is still a great deal of preparation leading up to the National Encampment, and this committee continues to work diligently to bring the event to fruition. In the coming months, we will be finalizing the staffing we will need for the events, the SVR's participation, entertainment for the Campfire, and much more.

This committee is dedicated to hosting the best National Encampment the organization has ever seen, and I believe we are well on our way. We are honored to have been chosen to serve the organization in this capacity, and will continue to make the Department proud.

Permanent Fund	$435,377.92
G.A.R. Massachusetts Trusts	$186,095.33

Highlights from Last Year

- Successful compilation report for the fiscal year April 1, 2006 to March 31, 2007 completed by our CPA firm Letarte and Singleton of Leominster, Mass. As required by Department of Massachusetts Bylaws, Article IV, Section VII.

- Filed IRS Form 990 as required by Federal Tax Codes.

- Created and started populating an inventory control system.

- The stock portfolio was down this year which resulted in an 11.35% loss in value ($418,771.83 down to $371,234.24). During the same period the Dow Jones Industrial Average had a 0.74% loss ($12,354.35 down to $12,262.89).

- The dividend income for the past year was $21,431.38, which is a return of 5.12% on the beginning balance of $418,771.83. The estimated annual dividend income increased 2.94% from ($21,148 to $21,770).

- On March 31, 2008 received 15 shares of FairPoint Communications, Inc. because of a Verizon Communications spin-off.

- The three Permanent Fund CDs increased 5.08% (from $61,040.46 to $64,143.68).

- The G.A.R. Trusts increased 4.82% (from $177,533.65 to $186,095.33). For a frame of reference, if the same percentages were applied today as reported during 2005, the amounts would reflect:

Fund Name	**2005 Amount**	**Percentage**	**Current Allocation**
Bridgeport Fund	$19,918.00	12.13%	$22,573.36
Cohen Fund	$23,956.00	14.59%	$27,151.31
Coppenhagen Fund	$39,946.00	24.32%	$45,258.38
Charles F. Ellis Fund	$14,672.54	8.93%	$16,618.31
G.A.R. Loring Fund	$18,989.00	11.56%	$21,512.62
George C. Marshall Fund	$11,868.00	7.23%	$13,454.69
Margaretha Myers Fund	$11,944.00	7.27%	$13,529.13
Wood Fund	$22,951.00	13.97%	$25,997.52
Total	**$164,244.54**	**100.00%**	**$186,095.33**

- The Flag Holder Fund was depleted and closed. The sale of the "True Blue" bumper stickers has ended.

Known Problems

- The attached budget report shows a difference between actual expenses and budgeted expenses of $3,174.18. The actual difference is $2,251.68. The budget item "Payment to National Org. – 1a" for National Per Capita caused the $922.50 discrepancy. The Department collected $3,577.50 in Per Capita from the Camps and paid the same to the National organization. The $4500 budget amount for this item is meaningless.

- There is a $13.52 discrepancy between last year's reported Total and the CPA's reported Total Net Assets amounts. It was not noticed until recently. An answer will be provided upon the completion of the CPA's next report. The Dept. Treasurer's original amounts are used in this report.

Note

- A.G. Edwards has become a division of Wachovia Securities.

SONS OF UNION VETERANS OF THE CIVIL WAR MASS DEPT
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED MARCH 31, 2007

1. Nature of Activities and Significant Accounting Policies

a) Nature of Activities:

The organization was formed in 1881 and declared to be incorporated and domiciled in the District of Columbia. The organization's purpose is to perpetuate the memory of the Grand Army of the Republic and the men who saved the Union from 1861 to 1865 through preserving and making available for research documents and records pertaining to its members. Other activities include honoring all those who served our country patriotically and teaching patriotism and duties of citizenship.

b) Basis of Presentation:

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles. Net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Organization and changes wherein are classified and reported as follows:

Unrestricted Net Assets - Net assets that are not subject to donor-imposed stipulations.

Temporarily Restricted Net Assets - Net assets subject to donor-imposed stipulations that may or will be met, either by actions of the Organization and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Permanently Restricted Net Assets - Net assets subject to donor-imposed stipulations that they be maintained permanently by the Organization. Generally, the donors of these assets permit the Organization to use all or part of the income earned on any related investments for general or specific purposes.

(See Accountants Report)

c) Cash and Cash Equivalents

Cash equivalents include highly liquid short-term investments with original maturities of three months or less.

d) Contributions

Contributions, including unconditional pledges, are recorded as made. All contributions are available for unrestricted use unless specifically restricted by the donor. Pledges are recognized when the conditions on which they depend are substantially met. Donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets. Contributions of investments are recorded at the fair market value at the date of the gift. It is the policy of the Organization to sell these investments upon receipt.

e) Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

f) Investments

Investments in marketable securities with readily determinable fair values and all investments in debt securities are valued at their fair market value in the statements of financial position.

g) Income Taxes

The Organization is exempt from federal tax under Section 501(c)(4) of the Internal Revenue Code. It is also exempt from state and local income taxes.

(See Accountants Report)

SONS OF UNION VETERANS OF THE CIVIL WAR MASS DEPT
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED MARCH 31, 2007

2. Financial Instruments

Financial instruments that potentially subject the Organization to concentrations of credit risk consist principally of cash, investments, and cash equivalents. The Organization maintains its cash in bank deposit accounts, the balances of which, at times, may exceed Federally insured limits. Cash equivalents and investments are maintained at brokerage institutions. Exposure to credit risk is reduced by placing such deposits in high quality financial institutions.

3. Investments

The cost and carrying value for investments is as follows:

	2007	
	Cost	Carrying Value
Stocks	$317,435	$418,772

The following schedule summarizes the investment return and its classification in the statement of activities.

	Unrestricted	Permanently Restricted	Total
Dividend and Interest Income	$ 21,517	$ 5,235	$ 26,752
Realized and Unrealized Gains on Investments	143,176	-0-	143,176
	$164,693	$ 5,235	$169,928
